Subject: Amendment to AB 318

Rep. Doyle would like an amendment which would allow WRS annuitants to be hired 1/2 time or greater in special circumstances where all or some the rehired employee's salary is paid through non-state funds, as in situations where retired UW faculty are needed for ongoing grant-funded research projects.

This would account for positions that are funded with SEG, PR and FED

Please let me know if you have questions. Thanks.
